Title: RN, Case Mgr. Bilingual English/Spanish  
Hours: Fulltime Days (8:30am-5pm M-F)  
Dept: Community Home Health Agency Nursing  
(2) Northeastern Monroe County  
Travel: 100%

**Summary:** This position is responsible for direct nursing care to home care agency patients who are being served through the general home care division. This position functions as the primary nurse and there are case management responsibilities which involve the identification of appropriate services, supervision of home health aide staff and ongoing review/evaluation of the utilization of home care services. Also responsible for the delivery of direct patient care including procedures, the assessment of patient and family needs, and the development/implementation/evaluation of an appropriate plan of nursing care.

**Description:** Systematically and continuously collects and documents assessment data regarding patient and family needs. Identifies and prioritizes health problems based on assessments. Develops, implements and evaluates multidisciplinary goal directed intervention plans based on identified needs in collaboration with the attending physician and other health team members. Manages and coordinates patient care in a manner which ensures the efficient and effective delivery of appropriate home care services and community support. RN's may be assigned as primary nurses with responsibility for all case coordination of patients requiring any other type of care upon supervisory approval. Assess the need for home health aide services, establishes the aide activity sheet, supervises and evaluates the aide in the performance of his/her patient care duties. Communicates all changes in patient status and/or service needs to the appropriate health team member and ensures appropriate action is taken in a timely manner. Documents all patient care and coordinating activities in a timely fashion. Practices according to Agency and community standards. Participates in quality assurance activities as requested.

**Qualifications:** Graduate of an accredited school of registered nursing and a valid NYS registered nursing license required. BSN preferred. **Bilingual English/Spanish language/communication skills required.** A minimum of 2 year's recent/current experience as a staff nurse in an hospital/acute care setting highly desirable. Valid NYS driver's license. Must demonstrate strong interpersonal, communication and organizational skills. PC experience required.
